Cape Town Port Weather Forecast

All data provided is the sole property of Linernet and onward use or distribution is not permitted without approval. | Visit: linernet.net 5.

General Comments

1. Moderate to stronger winds expected throughout the week.
2. Two dedicated truck gate lanes established for the fruit industry as well as night runs from Mondays to Saturdays (after gate closure at 22:00 to 06:00).
3. Belcon rail option to be strongly considered by the industry to reduce truck gate pressure.
