Dear TPT Customer / Stakeholder

**Transnet Port Terminals Operations – Business continuity plan:
20 March 2023**

Transnet is aware that the South African Federation of Trade Unions (SAFTU), through an application in terms of Section 77 of the Labour Relations Act, intends to embark on protest action on Monday, 20 March 2023. Transnet acknowledges the right of employees who wish to support the protest action, and has communicated to its employees all the applicable principles in this regard.

Transnet remains committed to resolving any possible disruptions by instituting the appropriate contingency plans. Whilst the Terminals will remain operational on 20 March 2023 with the available staff, we are mindful that the shutdown may potentially impede the movement of cargo. Due to the unpredictable nature of the situation, the respective Terminals will provide regular updates on the day, with any changes that may arise, including necessary extensions and/or other declarations.

We thank you in advance for your support and understanding during this period.

Kind regards

Michelle Van Buren Schele
